BOARDROOM

## A warm welcome awaits

The Boardroom at Printworks offers flexible space for a wide range of events from conferences and meetings to training seminars and press launches. As part of Leeds City College Printworks Campus it offers a unique opportunity to connect and work with young people working alongside experienced hospitality professionals to create the perfect event time after time.

### Back to School

Printworks' kitchen and bar conference facility is a training academy which showcases some of the finest student talent in Yorkshire. Apprentices work alongside our hospitality professionals to undertake practical work experience in one of the finest buildings in Leeds. Your reservations enrich apprentices' experience and provide a foundation for their future. We offer a flexible space for corporate away days, meetings and team building events.

### Fully Equipped

The fully fitted boardroom offers you and your guests an exceptional skyline view of the city, full use of our IT and Wi-Fi facilities, free parking and, dependent on package, freshly made food and drink from our kitchen and bar.

Whether you're seeking the perfect space for a press launch, corporate reception, or business presentation, our team can adapt the venue to suit.

# Fabulous Food

## Exquisite Catering

All the catering for the boardroom is prepared by our very own printworks kitchen. The kitchen is a working classroom where students learn from our team of experienced chefs and bakers, making everything from fresh bread and confectionery to learning traditional skills like butchery through to showcasing their expertise in fine dining events. The experience they gain is essential in providing a firm foundation for their future careers.

## Something for all tastes

We provide anything and everything - be it fresh coffee and pastries for a breakfast meeting to a formal dinner - we pride ourselves on our flexible approach and work closely with guests to ensure they get exactly what they are after. We can tailor packages to suit your needs, our award winning Kitchen and Bar also makes an excellent flexible space for a more intimate and relaxed breakfast meeting or working lunch.
